April 27, 1972~~CONFIDENTIAL~~ELIJAH POOLE

Elijah Poole, commonly known as Elijah Muhammad, is leader of the Nation of Islam (NOI) which has headquarters at Muhammad's Mosque 2, 5335 South Greenwood Avenue, Chicago, Illinois.

The NOI has as its purpose separation of the black man from the devil (white race) through establishment of a black nation. Members of the NOI are forbidden to carry weapons, although some members reportedly do so, but they are taught to defend themselves at all costs and to disarm all attackers and use the weapon on them. The NOI in recent months has been torn with internal dissension and the above rules have apparently been adhered to.

There is no evidence Elijah Muhammad will attend either the Republican National Convention in San Diego, California, or the Democratic National Convention in Miami, Florida, but he is a man of moods and could change his mind at any time.

The "Chicago Sun Times", March 26, 1972, Four Star Final, Section 2, page three, sets forth an article entitled, "ELIJAH MUHAMMAD-Black Paradox" by MERV BLOCK. The article reflects BLOCK recently interviewed MUHAMMAD at his Chicago home. The article, in part, reflects:

... Although FARD disappeared about 1934, MUHAMMAD asserts that FARD speaks to him from time to time and even appeared to him in a vision a few years ago. Is it really FARD's voice?

Definitely, replied the 74 year old MUHAMMAD... He said he recognizes FARD's voice because he spent "three years and near four months with him... He's very much alive. He will be alive probably for 400 years yet."

An hour later, when MUHAMMAD was requested to pose for a photo beside a portrait of FARD, MUHAMMAD declined, saying that if he were to do so, it might seem that he was trying "to make myself be some kind of a equal..."

Q. Who is next in line to become Messenger?

A. Well, that is up to Allah. I can't answer no such question...

The "Chicago Sun Times" is a daily newspaper published in Chicago, Illinois.

"Muhammad Speaks" (MS), June 30, 1972, page S-7 of an insert sets forth an article titled "The Time is Now!", self-described as highlights of an address by ELIJAH MUHAMMAD at MT 2 on June 18, 1972. It reflects:

..."God said that he would raise one from the dead to teach the others from the dead - well this is him standing up here. I am your brother and the best brother you have!"... "Then the Saviour said to me, 'Brother, are you with me to put our people on top of civilization? If you go and teach them I will back you up. I have been persecuted for many years, but I'm still here,' "...

"Muhammad Speaks" is self-described as published weekly by MT 2 in Chicago.

IV. Teachings

The "Chicago Sun Times", Four Star Final, March 26, 1972, Section 2, page three, sets forth an article titled "ELIJAH MUHAMMAD - Black Paradox" by MERV BLOCK. The article reflects BLOCK recently interviewed MUHAMMAD in his Chicago home. The article, in part, reflects:

...Q. Do you really think white people are devils?

A. I don't think it... I know it...

Q. Some Muslims, or former Muslims wonder why you employ so many white people.

A. Because I can get along with both, and the white people know their country, know their government, know their buildings, their material. And if my people would build those houses over there, they would have to buy the material from...white people...

MS, April 28, 1972, page 16, sets forth an article titled "The Judgment Nears!" by ELIJAH MUHAMMAD. He wrote:

Everywhere that we look, and everything that we can think about, marks the end of this world. There never was a time in the history of the United States of America, that the President goes out to try to visit the heads of all of the nations that seem to be somewhat his equal!

He is like a criminal who has committed a crime and he hopes for mercy from those whom he has committed the crime against! We cannot escape our doom when it comes, teaches the Holy Qur'an, and the Bible.

They showed no mercy at all to the Black slave. They treated the Black slave the worse that any human being has every been treated. They continue to do so, in the face of Divine Judgment...

MS, May 26, 1972, page 16, sets forth an article titled "The Cruel Days of the Lord!" by ELIJAH MUHAMMAD. He wrote:

What causes these Days to be cruel when GOD Himself is a righteous GOD?

What now makes His coming to be a cruel coming?

It is because He is the righteous GOD, and He is the owner of the earth. And the previous substitute (white race), that the earth was let-out to, to rule the Original Black People for a time of 6,000 years, in that time they (white race) robbed GOD of the worship of His people, the Original Black People.

They (white race) refused to let the people worship ALLAH (GOD). Because of the time that was left to them, instead, they made all the people, whom they could make, to worship them (white race) as being the owners of the earth!

This angered the real owner! The real owner, being angry over how the non-owner had treated the Original Black People of the earth, and how they (white race) had deceived the Original Black People, in the knowledge of the real GOD and Owner...

So, the GOD, being good Himself, by nature--He is angry to find His house torn and His people mistreated--and no one of the house offered his people any mercy--no Justice, says ISAIAH, "Justice standeth afar off"--Freedom, justice and equality is something that they (Black People) have not known.

So, the Master, the owner of the house (earth) is angry. He threatens to destroy those who were given rights to rule, for a time!

Their time is up, so saysthe LORD, and their time has been up for a long time, but they were given a little over-time--and in the little over-time that was given to them, they have not made themselves any better, they have become worse!

So, it is written that 'they are disagreeable to live with in peace,' which shows that regardless to how much over-time is given to them, that does not change their nature, which is to do evil, continually, against the righteous.

But, now, behold, His days have come--the days when He shall rule, Himself, and He shall deliver His black people from such evil rule of the wicked!

MS, June 9, 1972, page 8-14 of an insert sets forth an article titled "Highlights of MUHAMMAD's Address at Opening of New Temple No. 2" (May 28, 1972). MUHAMMAD spoke as follows:

...We are people--the Black Man--is the first in the Sun. We are the makers of the Sun. It was the Black Man. I do not say this meaning I was there. No, there is no man who has the birth of the GOD. We can only start where He started, but we cannot go before and show you what He made Himself out of, but we know one thing, He made Himself in the dark, and He came out of a Black Kan... (applause).

Therefore, creating Himself in the dark--in triple darkness--He made all of us to be born the same; made of the same material (darkness). Every living life that we find, He forced it to be created in triple darkness. We being the first that was created in triple darkness, we were made to hate our ourselves by a man whom we made. But, his day is over. There is no such thing as that people having anymore time--only that time which it takes to get you separated.

We thank ALLAH for bringing to us, the truth of self. Think over it, for four hundred years (400 years), you are walking around, trying to be your slave master and act like him, look like him. All to be brought out in the light of truth today, that you are the Original father of creation and that we made the white man. Not that the white man was created with us--no!! We made him!! And, we can continue to make white folks, if we wanted to...

We are building something like about two million or more dollars there around the building I live in now. We are building, laying the foundation in Phoenix, Arizona, for about two million dollars worth of building out there.

We are building farms in the South that are costing us around ten million dollars when we get through with them.

This is what we are doing: We have plans to build, on the East side of Cottage Grove, here in this city, something about ten - between fifteen, I should say, and twenty million dollars, on the East side of it from 78th to 87th on the East side.

We want to make the Southside (the Southside of Chicago) for Black people. You have heard leaders get up and put a beautiful picture before you and you never see the reality of the photograph. But what we say, it is bond. I do not tell you something to make you feel happy over a dream because ninety per cent (90%) of dreams are not true.

But, in Chicago, on the Southside, our plan is to build up for you to master. We do not think that the Southside of Chicago should be mastered by foreigners. I, ELIJAH MUHAMMAD, the Messenger of ALLAH, a living GOD, intend by this time, another year, for you to own the East side of Cottage Grove from 78th to 87th Street. This is our aim.

We have to build a new world. As you noticed while the Minister was praying, I had not my face turned towards the East, for the sunlight of truth is not to come from the East, today! It is to come from the West! And since GOD, Almighty, in the person of Master FARD MUHAMMAD, has made me the first to rise from you, I must turn you on a light coming from here--from the West. No more shall we turn our face to the East, looking for light from the East, for the Sun of Light has risen in the West!!!!!! (thundering applause; standing ovation).

CONFIDENTIAL

We want to build the Southside of Chicago. We want the Black Man, then, to command it. We want to rule it ourselves. If a million Black people on the Southside cannot rule that place you need to drop them in the lake!! If you follow me, you will rule...

We must rule. We are tired of being ruled. We must rule. You are afraid of self. I do not blame you because you are not true to each other...

...This war is not a war of peace. This war is to destroy those who delight themselves in war. This is not a war to linger you around for many years, to have you way in--no; this is a war to destroy one or the other...

CONFIDENTIAL

The above was substantiated in an article entitled, "2,000 Cheer-Muslims Open Temple No.2" which appeared in the "Chicago Defender", May 30, 1972, page two.

The "Chicago Defender" is a daily newspaper published in Chicago which is oriented to the black community.

MS, June 2, 1972, page 16, sets forth an article titled "When Ye Shall See All These Things" by ELIJAH MUHAMMAD. He wrote:

...Strange happenings--the prophecies of JESUS said that parents will be against children, and children will be against parents. Do you not see these things fulfilling today, right in our eyes?

Not only are parents against children and children against parents, but parents are murdering their children and children are murdering their parents!

In some families, the parents kill the children and then commit suicide themselves! This is going on, today, in the old U.S.A., where the gospel of JESUS is preached every hour of the day, somewhere in the land!

In this time, in which we are now living, there is no respect for dignity--the President leaving the country to travel afar, to meet with the rulers of foreign countries to discuss the strange things that are happening, and the strange things that will happen, between the nations.

The beautiful and rich country of America, to which many people of Europe and Asia migrated, seeking refuge--in this country, as the prophecy is now coming into fulfillment. ("...in that day and time, everyone will go to their own people.") they will begin to go away from America, instead of coming to America!...

America's trade is cut off and all of her delicious and delicate things that she used to have in trade--it is all gone! In one hour (one day) it came to pass, here in the western hemisphere:

The most wicked people who ever lived on the earth are in the western hemisphere, as the Bible teaches us that GOD said, that to Him this is like Sodom and Gomorrah...

Day and night, up and down the streets, people are killing, murdering each other! We do not know very much about what is going on in Europe, but we do see it right here in this city of Chicago, Illinois! The radio and the television announces to the public that murdering and killing is taking place, continually.

WHEN YE SHALL SEE ALL THESE THINGS!

Today, there is great disrespect of one another! Mother and her daughter are walking the streets in shame to the public of decent and decent-minded people! They are throwing their clothes aside from their bodies, trying to keep nothing covered, but their shame! And some barely cover their shame!...

My black people, I say fly to ALLAH (GOD) for refuge, and come, follow me. I may look weak, but, through me, you will find refuge in ALLAH...

MS, June 16, 1972, page 15, sets forth an article entitled, "The Theology of Time", self-described as highlights of an address given by ELIJAH MUHAMMAD at MT-2 on June 4, (1972). It reflects:

... On this board you have two flags, Messenger MUHAMMAD pointed out, one of America, the other of Islam. In America's flag you see the sign they use for their religion (the cross). In America you have red, white, and blue. In Islam you have only red and white.

In between (the two signs) you have these words, 'Which One Will Survive The War Of Armegeddon?'

What is the Armegeddon war..? A war where truth clashes with falsehood and falsehood clashes with truth, he answered.

MESSENGER MUHAMMAD then explained the Red in the Flag of Islam. Stating THAT it represented Truth, Light and Fire. He pointed out that its main representation was the sun and the sun is nothing but a red ball of fire that warms a galaxy with nine planets in it, he said.

Then he turned to the other flag, the devil's flag of falsehood.

You see stripes of red -- you see stripes of white then you see a blue here full of stars. What does that mean, ELIJAH? he asked.

It means -- white here represents the white people, Blue represents untruth...

God wants to deliver you to me -- first he breaks the power of them -- (America) to trade. Never have you seen a leader going to and fro like NIXON now. America has everything, but knows that other nations have guns trained on (America). And they (the other nations) have the Mahdi (God) with them...

MS, June 30, 1972, page S-7 of an insert sets forth an article titled, "The Time is Now!", self-described as highlights of an address given by ELIJAH MUHAMMAD at MT 2 on June 18, 1972. It reflects:

...This zero (0) represents nothing. Now I want you to put a zero on the other end. Now zero - and - zero that still is nothing. The end is nothing and the beginning is nothing...

If we have zero here and we go to zero, we find nothing. Back here (referring to first zero) represents you and me. We were nothing until Allah Came and He Came and stood next to us and made us ten-fold. He is the One (1) God, and he put himself beside nothing (0) and made us something, that is looked upon today and respected. The One (1) God wants to bring us into the knowledge of self.

WHY MAKE ZERO ROUND?

Why did he make a zero (0) round? Because he knew that the universe was round, this was before the first man was made. It was a zero (0). He is the Creator, Himself, and He made Himself in a circle so that the wisdom of Himself -- the Creation, could go on and on, and give knowledge and wisdom to you and me. Each zero increases the (1) One ten - times more, which means the more you add to the (1) One God, the more you become something. We started from nothing (0) and God created Himself from nothing.

This does not mean He is forever. There is One every 25,000 years -- a new God. Their wisdom always runs 25,000 years and then they will change, bring in another. Every 25,000 years another God comes into being...

JESUS was no dumbbell. He graduated at Al-Azhar. When he graduated at Al-Azhar in Cairo, Egypt, he walked from Cairo to Israel 2,000 years ahead of Israel's time. JESUS was ahead of himself. I'm a little behind time...

The wise theologians of the white man know that the white man's time was up in 1914. Why are we not ruling you may ask. Because you are yet asleep -- my job is to wake you up. We are the ones to rule. Accept your own means to accept the rule. You are suppose to have rulership now...

I guess you wonder why we call the white man the devil. Six thousand years ago the god of the white man said he could make a man to rule for six thousand years. He was playing with steel. They still play with steel today -- turn steel into weapons to kill you and me...

One day they will be separating you. A man will be on each corner. They will ask you what side are you on. If you say you are on America's side they will tell you where to stand.

If you say you're on Allah's side and you are with the Muslims, they will tell you where to stand. Stand over here, come with me. They will separate the sheep from the goats.

You may say when will this day be. No man knows the day or the hour. I don't say they are a million years from the destruction. I say to you this world is no more!

According to the Arab calendar it won't go ten more years. We are not very far from the end. We are at the end of this world.

We know that his time is up. If he has been destroyed on the date of the end of his rule, we would have been destroyed on the date of the end of his rule, we would have been destroyed too because we did not know the truth -- we were not ready...

V. Violence - Factionalism

The "Chicago Sun Times, Four Star Final, March 26, 1972, Section two, page three, sets forth an article titled, "ELIJAH MUHAMMAD - Black Paradox" by MERV BLOCK. The article reflects BLOCK recently interviewed MUHAMMAD in his Chicago home. It reflects, in part, as follows:

...Q. What is behind these shootings in Baton Rouge where three blacks and two deputies were shot in a disturbance police said involved Muslims?

A. I wasn't there and I don't know really know how it began... Christians have been shooting Christians all my life... so I don't see why this should be anything of news...that the Muslims shot someone or someone shot Muslims...

On January 10, 1972, a group of dissident followers of ELIJAH MUHAMMAD were involved in a confrontation with law enforcement officials of Baton Rouge, Louisiana. Five persons were killed and numerous persons were injured.

"Muhammad Speaks", April 28, 1972, page 16, sets forth an article entitled, "The Judgment Nears!" by ELIJAH MUHAMMAD. He wrote:

...I have been begging for help to borrow money saying that we would give the extreme interest. NO one came to our aid, yet. The white man has tried to prevent everyone who would give us a little help.

SO, Allah (God) Came to Help us from ourselves. May Allah (God) Bless us to do His Will and Bless us to Please Him, for Allah (God) Is the Only Help that we Have.

I do not care what interest we offered, no one wanted to loan us. They know that we are well worth the loan, but they do not want us to be helped. They figure we are going too fast as it is!....

The "Chicago Sun Times" Four Star Final, May 23, 1972, page 52, reflects ELIJAH MUHAMMAD made a two million dollars down payment recently on Saints Constantine and Helen Greek Orthodox Church at 74th and Stony Island (Chicago) and takes possession on June 5 (1972).

"Muhammad Speaks", June 9, 1972, page 16, set forth an article entitled, "Forty Years Striving For a Better Place To Worship Allah (God)" by ELIJAH MUHAMMAD. He wrote:

We thank the Greeks, headed by their President, Mr. PIERRE DEMETS, who did us the favor to get his people to agree with him, to sell us this mighty fine church.

I thank Mr. Demets and I hope that all of my Black People, and his people are satisfied in giving us a chance to purchase this mighty fine church.

For quite a while, which ran into years, Mr. Demets and I have discussed the possibility of our owning this church. You will say, "O you gave too much for the church".

That is right, but regardless to the cost, we have a church which spells out to the world a mighty fine place for us to worship Allah (God) in. And we invite all of our Black People to come.

We have about \$1,000,000 worth of work to do on the Temple, in time. One day you will pass by our Temple on 74th Street and South Stony Island Avenue, Chicago, Illinois, and see that we should not regret the price, but be happy that we have come out of the alley and gotten out in the public, on a very public thoroughfare.

"Muhammad Speaks", June 9, 1972, page S 14 of insert sets forth an article entitled, "Highlights of Muhammad's Address at Opening of New Temple No. 2" (5/28/72) ELIJAH MUHAMMAD spoke as follows:

All the wealth in America, stored up down in the banks of the enemy; holding your money for him to spend.

CONFIDENTIAL

That three million dollars nearly had to come all the way (from) on the other side of the Atlantic. Our people over there, whom you do not know; out of the Muslim's pocket. They pulled out the money out of their pocket to pay for this House for you and me to worship in. You wondered "Does he have any friends?" This is what He Promised me: money, good homes, and friendship in all walk of life.

Black brother, go down in the loop and tell your white "brother", your white masters, to give you three million dollars for a house. You will never get it. He will promise you until Gabriel blows his trumpet! He is afraid of you, to let you have his money by the millions because he reared you. He knows that he will steal and rob and anybody that he rears and teaches, they will be his brothers to do the same thing, therefore he will not trust you but he makes you promise, but he is not going to trust you with his money!. He would not trust us, not because he thinks that we were dishonest but he thinks that we will "jump ahead."

I do not take your money (you do not have to believe me, just join up and see), to build up kingdoms for myself, unless you are in it -- I will build the kingdom with your wealth but you most certainly are going to share with me. I do not want it alone. No!! I want you to have the kingdom.

MS, March 17, 1972, page two sets forth an article titled "Middle East Report 'Libyans Tell All Muslims: Unite with Messenger Muhammad's Nation' ". In essence it reflects an Islamic Conference, called by the Libyan Revolutionary Command to discuss problems of Muslims all over the world, was recently held in Tripoli, Republic of Libya. An official invitation was extended to the NOI and was accepted by ELIJAH MUHAMMAD. He was represented by RAYMOND SHARRIEFF, HERBERT MUHAMMAD, and JOHN ALLI. Detailed descriptions of progress achieved by the NOI in the cultural, educational, political, and economic fields was carried by all papers published in Libya. The Muslims in Libya and all over the globe were called on to unite with their brothers in America who alone carried the responsibility of bringing Islam back to its lost people.

The "Chicago Sun Times" Four Star Final, May 8, 1972, page three, sets forth an article entitled "Big Libyan Loan For Muslims Here", dateline Washington. It reflects:

In what may be the first case of assistance to an American cause by an underdeveloped nation, Libyan President MUHAMMER EL QADDAFI has agreed to lend \$3 million to establish a national Black Muslim mosque in Chicago.

LIBYA
The loan was negotiated in Tripoli by MUHAMMAD ALI and the money is being held here in the Riggs Bank until the contract is signed by ELIJAH MUHAMMAD. The Libyans are not, in line with Muslim practice, charging any interest but they want total repayment within three years.

The Libyan Ambassador here, ABDALLA SUWES, is D.C. sensitive to the risk that his president's gesture may be LIBYA seen as interference in this country's domestic affairs. He is insisting on a contract that requires the loan to be spent only on the mosque.

"We are merely helping to build a church", the Ambassador maintains, "and this is something American missionaries have done in many countries."

Plans for the national mosque are confirmed by the Black Muslims' chief prophet, ELIJAH MUHAMMAD, who plans to buy a Greek Orthodox Church in South Side Chicago for \$4 million and transform it into a national center for Black Muslim worship by spending an additional \$1 million.

MUHAMMAD...did not sound fully satisfied with the Libyan terms.

"We don't mind people giving us the cash," said the Prophet..."but I don't know if we can pay back \$1 million a year."...

MS, May 19, 1972, carried headlines reflecting the NOI received a gift of \$2,978,406 from "our Libyan Brothers". On page 16 and 17 an article titled, "The Great Gift of Our Libyan Brothers" by ELIJAH MUHAMMAD reflected in part as follows:

We, the Muslims want the world to know that we thank the Libyan People, (in Africa), and their government, for the great surprise of loaning us nearly \$3,000,000.00 in cash.

We are so happy that we can hardly express our joy over our Black Brothers making us this loan.

Libya is a small country in Africa but still Libya is very rich. The value of her money (dinar) far exceeds the value of the American dollar.

The Libyan People remember that we Black People in America are their brothers, as you may remember the cartoon drawn on the head of our Muhammad Speaks Newspaper, representing the tie of love between the Black man of the Western Hemisphere, to the Black Man around the earth, which takes in Africa, number one, and reaches around Asia and the Isles of the Pacific, and back to America.

They know who we are. They know that we are their Lost-Found Black Brothers and Black Sisters who were kidnapped by the devil of England, John Hawkins. They remember the rape of Africa for Black slaves.

And today if Allah (God) Who found us, does not unite us in help, throughout the rich world of our Black Brothers, we will have a little harder time than we would desire to have, in getting united and doing something for Black self, in America.

It takes millions and billions of dollars to get us set up here in America to do something for Black self. One or two million dollars in hand, is no more than one or two dollars-it takes hundreds of millions and billions of dollars to set up a government for our Black self.

~~CONFIDENTIAL~~

Our Black Libyan Brothers know what it is to carry on a government among Black self. In the act of giving us a little help of a few million dollars, this is a great help to us. It is like a man stranded with his car on the bottom of a hill due to the lack of gas.

The man can put just a little amount of gas in the car and it can get him started up the hill, where perhaps the man may get another lift, and more gas, to keep his car pulling up the hill.

So I am grateful to Allah and to my Black brethren of Libya, Africa, for giving to me and to my followers such a great lift, in our struggle to reach the top of the hill of civilization.

And every follower of mine is so happy this morning, until I do not know whether our Black Brothers would recognize us, with the glow of gladness and happiness that this nearly \$3,000,000.00 has made us have.

The white people of America should give us a start with a few million dollars for us to go for Black self. We are their Black once-slave, but as the world knows, white America makes every effort to keep the children of the once-servitude Black slave-parents of ours, a continual slave to them.

The white people of America are so wicked against helping the Black once-slave that if they hear that a foreigner wants to help us, the white American goes and tries to prevent foreigners from helping us.

This shows how hateful and evil the children of the white race are in their evil desire to keep us a free slave and to prevent any foreign help to come to us...

MS May 12, 1972, page three, sets forth an article titled "New York Blacks Support Muslims", datelined New York.

The article relates to a police-Muslim confrontation on April 14, 1972 at MM7 and reflects Minister LOUIS FARRAKHAN addressed more than 7,000 black people on April 30 (1972) at the 369th Armory in New York. It continued:

It is an activist group, national in scope, primarily concerned with economic development of the black community.

MS June 9, 1972, page four, reflects Mayor RICHARD HATCHER of Gary, Indiana, sent a bouquet of flowers to the NOI on dedication of the MM2 on May 28, 1972 and expressed regrets for being unable to attend.

"A thank you to the mayor of Gary, Indiana, Richard G. Hatcher--I have always admired this man for he stands alone among the black mayors of America. A man like Mr. Hatcher is what we need..."

"Muhammad Speaks" (MS), July 7, 1972, page 5-7 of an insert, set forth highlights of a speech by ELIJAH MUHAMMAD at KT 2 on June 25, 1972. Among statements attributed to him were the following:

. . . This is the end of the devil's world. He'll be wiped off the face of the earth. This is actually the earth of the black - not the white. . . the earth belongs to the Lord. . . We are the Lord. And since we are the lord. . . we let them use our earth, control the people for a certain time. Their time was up in 1914 but they are still here - they are here by the mercy of God. His mercy is such that he won't kill you even when your time is up. . . .

The white man's history is in the Bible. . . . but if we understood we would know the beginning of the white man is the beginning of a murderer - Cain slew his brother. . . . In this world they are killing one every minute - and now taken to war they kill one in a time shorter than a minute. . . .

You see this word Armageddon. . . . What is Armageddon? Armageddon is the war to be fought at the end, or judgement. . . . Which one will survive the war of Armageddon? . . . You will not dare tell me this flag (pointing to Christian flag) will survive the other flag. This flag was made (Christianity) - the other was created (Islam). . . .

CONFIDENTIAL

CONFIDENTIAL

YACOB made his people and put them on time to rule for 6,000 years. . . .YACOB discovered that in the black man there existed two germs or babies. One a black and the other a brown. He also learned that by killing the black baby and saving the brown he could come up with a brown race of people. This race you call Japanese. . . .There were not actually but two races from the real black man. . . . When he got to the third it was a white man. . . .The brown baby is weaker than his father, the black man, and stronger than the yellow baby. The yellow baby is stronger than the white. . . .This little yellow baby is almost as evil as the white. . . . China is near equal the white (in evilness). He loves to fight like the white. . . .The Chinese also likes to mix his blood like the white man does. . . .

MS is self-described in its various issues as published by MT 2 on a weekly basis in Chicago.

YS, July 14, 1972, page S-7 of an insert, sets forth highlights of a speech given by ELIJAH MUHAMMAD at MT 2 on July 2, 1972. Among statements attributed to him were the following:

. . . .Allah is ready to attack America out of his universe. . . .

In the book of Ezekiel there is prophesized about a wheel in a wheel. It's up there now. The devil knows it's up there. . . .This is what they're trying to locate on the moon. . . .

This plane represents the Mother plane. . . . Ezekiel said he'd come out and drop a bomb. . . . When the Mother Ship drops the bombs it'll be

CONFIDENTIAL

located about 20 miles from the earth. . . . It has a bomb that's timed and a motor which automatically goes on and takes the bomb right into the earth to explode (once it has gone a mile down). It sets up a mountain one mile high. Allah taught me that's the very bomb used to make mountains on the earth. Allah taught me that they have the same type of dynamite in the bomb that they used to make mountains on earth. It goes into the earth like an air hammer. And it doesn't explode until it gets into the earth. . . .

It will kill people 50 miles around. . . . It will go into action when America starts using her high explosions. This thing will come out and get them. Fifteen thousand of these bomber planes and they carry three small bombs each. Each plane will take these bombs over an area and drop them. They will destroy for 150 miles from where they are dropped. . . . Right through the middle is a wheel which measures one mile, so Allah told me. . . .

I think it has about four or five scientists on it. It is one-half mile by one-half mile. . . . The day it's seen in America, (you should) make haste and run to some post. . . . When America thinks she's going after this plane, the scientists will go forward and finish America. . . . There'll be two scientists on every block, guiding you and telling you where to go. . . . The Mother Ship is the same wheel which Ezekiel said looks so dreadful in the sky. . . .

America's friends have all become enemies to her. They're all looking at America with murder in their eyes. . . . We thought Pearl Harbor was terrible. But Pearl Harbor will look like a gang of boys playing, when they come against America. . . .

MS, July 21, 1972, page 8-7 of an insert, sets forth highlights of a speech given by ELIJAH MUHAMMAD at MT 2 on July 9, 1972. Among statements attributed to him were the following:

. . . . America stands before her death and is bound to go to her doom, because of the way she has treated us. . . .

All black people are brothers of each other. . . . The white man is not your brother. . . . Black man, remember, you are the father of creation. No white man can dispute with the One who sent ELIJAH. I'm a God taught man! I'm a God raised man!

If you tell me to go to Africa I will go, but don't tell me it's civilized. I'm already civilized and ready to civilize Africa. We love African people, like we love you, but they are not free, they let England and Germany and other Europeans push them in the jungle. . . .

I have our hands joined on the head of our paper ("Muhammad Speaks"). We love Africa, that's why we want to make Africa our brother. What God has taught me is perfect civilized teachings, to civilize any savage regardless to where he comes from. I have been visited by many Africans at my home. They are happy with me and I am happy to meet them. There are in Africa many fine scholars, but all the knowledge they have is not from the right sources. We must replace this, for new wisdom and knowledge to liberate black people all over the earth. This is not to criticize anyone, I want to join hands with you and be your brother but not with England, that slave making rascal!

We are living in the time for judgement of white folk, and America is number one - first. God has made the whole world turn against America to destroy her. . . .The War of Armageddon has already begun. This war will get rid of all white people. . . .

You don't need to go to Viet Nam to be victorious in this war. What do you need to go to Viet Nam for? If America wins. . . . you are still a slave "nigger". . . .This (the Vietnamese) is that old ancient Hindu - Allah doesn't want either one to win. He let American Christians kill Hindus all they want to.

They are both enemies to Allah. . . .No one ever hears of a Muslim going to war to defend either side. In fact, the Hindu is the number one enemy of God. Therefore Muslims don't go to war to defend them anymore than he goes to defend Christians. Muslims don't go to war to defend them just because they look like us because they don't even try to serve God Allah. They try to destroy him. If I get one of the bombs I'd fly over their territory too. I don't care if America kills all of them because of their opposition to Allah also. . . .

God told me that one trip [of the Mother Ship) across America will all but finish her off. Then the Ship will send three planes to England. . . .and that will be the end of England. . . .

If America had not destroyed you she could have been saved. But she destroyed you. Every night and day, there is some killing of the black man. . . .

CG 157-5366

He (Allah) will cut a shortage into the gravity of the earth and set the atmosphere on fire. . . .No people will be able to live on the earth because it'll all be on fire. The flame will only go 12 miles high. But it'll most certainly get you, unless you get with Allah. . . .

On July 23, 1972, a meeting was held by MT 2. ELIJAH MUHAMMAD spoke as follows:

[REDACTED]

b2
b7D

MS, August 11, 1972, page 16, set forth an article titled, "The World!" by ELIJAH MUHAMMAD. He wrote:

The world (under the rule of the white race) that we have been living in had a duration of time of 6,000 years. We have been living in the world for the duration of her time, and now her time is up, and she (the world) is conscious to the fact that God will rule the people in a government of righteousness.

The old world (of the white race) that is now going out cannot rule the people in righteousness, because nature did not give them any righteousness!

Therefore, the two, (the righteous and the unrighteous) disagree with each other and they cannot live in peace with each other.

Therefore, the two must be divided and the followers of each can go along with their own leader. The righteous will follow their own leader, and the wicked will follow their own leader. . . .

MS, September 8, 1972, page S-16 of an Insert, sets forth highlights of a speech by ELIJAH MUHAMMAD at MT 2 on August 27, 1972. Among statements attributed to him were the following:

. . . . It is the justice of God to destroy her (America) for destroying us. God is not going an injustice to her. He is justified in destroying her. . . .

MS, September 15, 1972, page S-8 of an Insert, sets forth highlights of a speech given by ELIJAH MUHAMMAD at MT 2 on September 3, 1972. Among statements he made were the following:

. . . . I don't think it should be hard for black people of America to know that the white man is the devil. . . .

MS, September 8, 1972, page 16, sets forth an article titled, "Self First!" by ELIJAH MUHAMMAD. He wrote:

... We who live in America, live in a cursed country. America is a cursed country. America is a Divine Place of Exile, for Allah's enemies and He promises to use America now, for a Lake of Fire, in which to burn all of his enemies.

The Indians the first people who were sent - who migrated to America - the Indians were also the enemies of Allah.

Self first - The reverends are the enemies of his (our) own black people. If the preacher do not do like the white slave-master tells them to do, the white slave-master kills them as he did Rev. MARTIN LUTHER KING, JR.

But, since they are the devil's disciples, he should kill them if they do not obey him. That is right, if the devil wants to be a god like Allah, for Allah will kill those who do not obey him! . . .

MS, September 22, 1972, page S-9 of an Insert, sets forth highlights of a speech by ELIJAH MUHAMMAD at MT 2 on September 10, 1972. Among statements attributed to him were the following:

... America is composed of the wildest people on earth. . . . it is a place of sin of the most evil and sinful people on earth. People that have no morals and love for self or anyone else. . . .

MS, October 13, 1972, page S-7 of an Insert sets forth highlights of a speech given by ELIJAH MUHAMMAD at MT 2 on October 1, 1972. Among statements attributed to him were the following:

. . . . We don't want this man's (the white man's) politics that he has set up. Get you a temple - flee politics. The Nations of Africa don't have the robbing and deceiving politics of America. . . . we want to build a world for black man. The white world is moving off the scene. You've got to do something for self or else!

The uniting of Japan and China and other small alliances is to deal with self not white people. They are ready to push the West out of the East and deal with each other. They are sick of the West. . . .

**NATION OF ISLAM
EXTREMIST MATTERS**

Mr. Kevin Maroney, Deputy Assistant Attorney General, Internal Security Division of the Department, called today and advised that the Tax Division of the Department currently has a tax claim suit pending against Elijah Muhammad, leader of the Nation of Islam (NOI), commonly referred to as the Black Muslims. In connection therewith, the Tax Division has received interrogatives which include the following questions:

- 1) Does the Department of Justice have FBI reports on the NOI?
- 2) If so, what are their contents?

Mr. Maroney indicated that since the FBI's interest in the NOI is public knowledge based on prior testimony by former Director Hoover before Congressional Appropriations Committee as well as the fact that both Muhammad and the NOI were previously subjects of Selective Service investigations the first question will be answered in the affirmative and privilege will be claimed in regard to the second question.

Mr. Maroney advised that he is instructing the Tax Division to furnish the FBI a copy of its reply to the above-mentioned interrogatives.

"Muhammad Speaks" (MS), November 3, 1972, page 8-9 of an insert sets forth excerpts of a speech given by ELIJAH MUHAMMAD at MT 2 on October 22, 1972, as follows:

. . . OUR FATHERS didn't want to come here. They wanted to return home, but didn't have boats to go back in.

The whites will now tell you that his slave boat and prison house which he brought you across the water in, that it was Jesus . . . He took us and brought us off into a far away country.

You can't go back to your people - not even in Africa, with the white man's name. You must have a Muslim name, an Islamic name.

Think over the storms, the earthquakes that the scientists keep telling you are coming. It's going to be so terrific one of these days that you can hardly breathe. This is on its way to America. And the heat from the sun will be so terrific that you can't breathe it . . .

CG 157-5366

That's on the way as sure as I stand here . . . Earthquakes are sure to come to America. And I say to you, my beloved brothers and sisters, that that day is closer to us than we admit . . .

MS newspaper is self-described in its various issues as published by MT 2 weekly in Chicago.

MS, November 17, 1972, page 16, sets forth an article entitled "The Dead Is Rising! They Seek Their Own," by ELIJAH MUHAMMAD. He wrote:

. . . AMERICA is a country where evil is dominant and the people in America think nothing but evil! It is very seldom that you can talk to a person without getting the thought quickly that their mind is filled with evil! . . .

The white race was made for the purpose of making mischief. The white race was made for the purpose of deceit. And, now that Almighty God has come to make manifest that which has been hidden of the truth, this runs the white man from under his deceitful blanket which had the white man covered. . .

THE Black Man in America has never known anyone but the white race, therefore, the Black Man seeks pacification and mercy from a merciless people.

You cannot blame the white man for what he is, you cannot blame him for being merciless, for the white people were made the people that they are . . .

MS, October 20, 1972, page 6, sets forth an article entitled "Muslim Nation of Abu Dhabi Unites to Help Nation Islam." It reflects:

A climate of goodwill is spreading throughout the Muslim world to help the cause of Islam in America. This historic united effort of the Muslim Nations to help the Muslims in America is seen as a major milestone in the development and growth of the Nation of Islam...

Und. In keeping with the tenets of Islam, the young Nation of Abu Dhabi in the Arabian Gulf has recognized the needs of the struggling Muslim brotherhood in America. In the spirit of true Muslim brotherhood, Abu Dhabi gave the Nation of Islam \$125,000 to aid the cause of Islam and to teach and train Muslims in America.

No other group in America is recognized by this nation as representing true progress under the Crescent of Islam except the Nation of Islam led by the Honorable Elijah Muhammad.

Full *Abdullah Sowaidi*
On a recent visit to Chicago the Honorable *Ahmed* Khalifa Sowaidi (Minister of Foreign Affairs of the United Arab Emirates (UAE)) inspected the newly acquired Islamic Mosque and school.

~~CONFIDENTIAL~~

The enthusiastic delegation was very surprised to learn that the school was put into operation less than two months after it was purchased.

After inspecting the newly opened Islamic center, the delegates praised the giant educational strides being made by the Lost - Found Nation. It was truly a joy to see the Muslim children being trained in Islam from kindergarten through high school, in the midst of a highly immorally Zionist Christian society. They were also tremendously impressed as they observed the children of the Lost - Found Nation being trained in their own original language (Arabic) at such young age.

After visiting the school and Temple, the Dignitaries traveled to a private conference at the home of the Honorable Elijah Muhammad. Upon their arrival at Mr. Muhammad's home, the diplomatic delegation (led by Foreign Minister Sowaidi) brought personal greetings to Mr. Muhammad from the ruler of Abu Dhabi, who is also President of the UAE, Shiek Ziad Ben Sultan...

*Full
Arabia*

In the private conference with the distinguished dignitaries, as his guests were being seated, Mr. Muhammad rose and very humbly thanked the Hon. Ahmed Sowiadi, the Foreign Minister for the gift from Shiek Zaid and the people of Abu Dhabi.

The delegation expressed extreme joy to learn that the newly acquired Temple will undergo a \$2 million renovation. This plan will create in the heart of the barbaric western Christian world an Islamic Center that can only be found in Eastern Islamic Nations.

Despite massive efforts fostered by the American government to stop the rapid spread of Islam in America, the Muslims led by Mr. Muhammad continue to make marked progress to the joy of Muslims throughout the earth.

The lies and propaganda spread by the American news media has failed completely in its cruel efforts to stop Islam...

MS, October 20, 1972, page 7, sets forth an article entitled, "Loan to the Nation of Islam Reduced by Libyan Brother." It reflects:

The unity of the Islamic Nations of the earth is readily becoming an actual reality. In keeping with this unity and the spirit of brotherhood, the Libyan Revolutionary Command Council (RCC) recently announced the reduction of payment on the \$3 million loan made in May to the Nation of Islam (Muslims in America.)

In an historic September conference between officials of the Libyan government extended the loan by spreading payment over the next nine years until 1981. This reduction in payments makes the terms of the loan more favorable for the young Muslim brotherhood in America.

The new agreement negotiated in Tripoli, extends the loan by six years. An earlier agreement made the loan payable in three years (by 1975) at the cost of nearly \$1 million per year. The current agreement reduces that cost to about \$400,000 per year.

The reduction makes it possible for the money formerly set aside for payments on the loan to be used to further the cause of Islam among the ex-slaves in America.

No fee
In addition to the new agreement between the Nation of Islam and Libya, the Libyan Government also indicated that by June of 1973 payments on the loan may be stopped entirely, according to a statement given to Brother John Ali, Director of Muslim and Arab Foreign Interests for the Nation of Islam.

Col. Qaddafi, Libyan President and head of the RCC, Major Bashir Hawadi and Shiek Subhi Mahmoud were very pleased with the efforts of the Honorable Elijah Muhammad and the great progress he has made in the historic teaching of Islam in America. } file

They were very eager to learn of the purchase of SS Constantine & Helen Greek Orthodox Church, presently scheduled for a \$2 million renovation, an historical architectural plan that will create in the heart of Christian imperialistic America such a magnificent eastern structure that will delight Muslims the world over.

CG - [redacted]

The RCC were especially pleased with the swift beginning of the University of Islam in the newly acquired Temple complex. The opening of the school occurred less than two months from the purchase of the building.

Upon hearing of the great achievements of the Nation of Islam and the creation of a more civilized Islam culture for the Muslims in America, by the Teaching of the Honorable Elijah Muhammad, the Libyan Government promised more assistance to the Nation of Islam. This assistance will be both financial and educational and will include teachers and books.

The courageous battle that the Libyan Revolutionary Command Council has fought to uphold Islam in Africa, and Asia and throughout the world is admired by the fast growing brotherhood of Muslims in America.

Under the leadership of such determined young statesmen who make up the RCC such as President Quaddafi, Prime Minister Jalloud and Major Bashir Hawadi a sense of brotherhood and international harmony is coming to the nations of North Africa.

Primarily interested in Freedom, Justice and Equality for the people of the land, these courageous young men are also determined to break the back of the invading Zionists.

The removal of the Zionist shackles and colonialist plunder brought to these shores by foreign invaders is heralded as a major breakthrough in the spread of Islam unheard of since the time of the great Muslim warrior Saladin. Despite major redevelopment plans at home and western CIA plots to overthrow Libya, this young Nation is still playing a major role in aiding the developing of Islam in America.

MS, October 20, 1972, page 7 sets forth an article titled, "Qatar aids emerging Muslims in America." It reflects:

The Nations of the Earth are fast becoming aware of the fierce struggle for Independence being waged by the Lost Found Nation of Islam in the United States. Word of the rise of Islam in America has spread with great speed across the Islamic world.

The Young Nation of Qatar, a peninsula in the Arabian Gulf, has taken a bold stand in favor of the young Muslim Brotherhood in North America. Qatar's present courage is seen as a reflection of determination they showed in opposition against imperialist Zionist plunder in the Middle East.

This young Nation is very much aware of what Independence means to a people. Qatar won its independence in December of 1971, therefore the people have not forgotten what it means to suffer under colonialist terror.

Realizing many of the basic needs of a developing nation, the people of Qatar gave the Lost - Found Nation of Islam, \$100,000 last May to further the education and training of the ex-slaves in America.

On a recent trip to the United States a delegation from Qatar inspected Muslim Temples and Schools in New York, Philadelphia and Chicago.

The delegation which included Sheikh Abdalla Aziz Althani, Minister of Finance and Petroleum and his aide Mr. Mussain Muhammad Ali, was received with great warmth by the Muslim Brotherhood in America. Sheikh Abdalla is also the son of the ruler of Qatar, Sheikh Khalifa Althani.

CONFIDENTIAL

Sheik Abdalla Aziz expressed great pleasure upon seeing how wisely the \$100,000 aid was used by the Muslims in America. As they visited the new Temple and Islamic school they showed their greatest interest when plans were announced for the renovation of the New Mosque. These added features, in keeping with Islamic architecture and Islamic culture, will make the beautiful Temple a must on the list of visiting Muslims from around the world.

Qatar also pledged to help the Nation of Islam with the \$2 million renovation plans.

The delegation also visited the home of the Honorable Elijah Muhammad, Leader of the Nation of Islam. Shiek Abdalla Aziz, the Prince wanted to meet Mr. Muhammad when he was in the United States in February, 1972, however, he was called back to his country and was appointed Minister of Finance and Petroleum at that time...

MS October 20, 1972, page 15 sets forth an article titled, "Progressive African youth group praises Messenger Muhammad." It reflects:

Progressive African youths, members of the International Youth Organization for Africa (IYOFA) will name their new headquarters, in Lagos, Nigeria, the "Honorable Elijah Muhammad House," L.A. Balogun, secretary-general of the Pan-African group announced recently.

CONFIDENTIAL

Balogun has been leader in African youth movements since he helped found the Pan-African Youth Organization in 1958. He indicated that he travelled to the United States for the expressed purpose of obtaining permission from Messenger Muhammad to use His name.

~~CONFIDENTIAL~~

The new offices and international headquarters, for the pioneering African group, will bear the name of the Messenger of Allah when construction is completed in 1976...

"For the past four years this organization has been hearing about The Honorable Elijah Muhammad and when people who knew Him said 'He is the Greatest,' we wanted to know what it was about this man."

"We want to send some of our members to this place (Chicago) to get the teachings of the Messenger and He has consented," Balogun said.

IYOFA is a consortium of many African youth organizations including well known groups like the Pan-African Youth Movement in Senegal. The Senegalese group is composed of French speaking Africans, but IYOFA includes organizations of English speaking and native language speaking peoples...

Balogun is an extensive traveller, not only throughout Africa but in Europe and Asia as well. His most recent international tour took him to many European nations where he observed boys clubs and youth organizations.

IYOFA endeavors to be a non-political group, yet Balogun observed that the youth groups in all the nations he visited are similar in one respect, they operate from the same basic philosophy.

"The YMCA, the Boys' Clubs of America, and all European groups are all different, but they all have Christian ideas or mentalities," he said.

In Africa, IYOFA has offices in all independent countries. "Where we see something lacking in one particular country we start doing something right away to improve it," the young diplomat stated.

"In Nigeria we are building a soccer stadium, in Ghana table tennis facilities," and the list of projects, he indicated goes on.

(ANNUAL MUSLIM CONVENTION)**

The Nation of Islam is an all-black nationwide organization headquartered at Muhammad's Temple 2, 7351 South Stony Island Avenue, Chicago, Illinois, under the guidance of Elijah Muhammad, self-styled "Messenger of Allah" and only divinely appointed leader of the black race in the United States. Its purpose is separation of the black man from the "devil" (white race) through establishment of a black nation. Followers are instructed to obey the laws of the land if they do not conflict with NOI laws and not to carry weapons but are to defend NOI officials, their property, women and themselves if attacked at all costs and are to take weapons away from their attackers and use same on the attacker.

March 9, 1973, carries headlines "Muslim Savior's
Day 1973, '18,000 Hear Muhammad Tell of the Plan to
Save the Blacks of America by God in the Person
of Master Fard Muhammad'."

NATION OF ISLAM
(ANNUAL MUSLIM CONVENTION)

Page 2 sets forth excerpts from the 1st. Part of Elijah Muhammad's Savior's Day Address, February 26, 1973. Set forth below are statements made by Muhammad:

In the Name of Allah to Whom all Praises are due forever, the Lord of the Worlds. Brothers and Sisters, I'm so happy to see your smiling faces, who have come from far and near today to help us give thanks to Almighty God Allah, Who came in the Person of Master Fard Muhammad to Whom praises are due forever....

....Follow this man Who is God in person. He says to me, that His father was a very Black man and His mother was a white woman. He said that His father knew He (the father) could not be successful in coming into a solid white country, and He was a solid Black man.

So He said "I will go make me a Son and I will send my Son among them looking like them. My Son, they will think He is one of them and He will find our lost people."....

He said to me that His father married this woman and the first child that she bore for Him was a girl. He (His father) said, "Oh, I missed that time." So He made another try and that was Him (the Saviour). And He was so careful of Him, that He had to be sent among the Western people, the Caucasian people. Of course Caucasian is their name too, but their real name is the devil.

It is not mockery for me to stand here and call this people devils because that's what they are. If any mockery should be done it should be done to us. If what we have made or created then the God of the Black man would be responsible for the mockery. They didn't make themselves we made them. You have no right to be saying that your son is no good for if you made it no good don't blame that that you made no good for being no good.....

NATION OF ISLAM
(ANNUAL MUSLIM CONVENTION)

Black man is a created man and the man that is called white is a made man from the Black man. So, since the white people were made from the Black people and now what was the purpose? It was the purpose to bring out of the Black man that which he didn't know was in him. And that which existed in him, could be made, if given a form and given the knowledge of the Blackman, could rule the Blackman. For a certain number of years until a greater one than he has been produced.....

We have today another people, white people who could be made from us. As we stand now, regardless of how white the germ is we still contain the germ. This is why we do funny (acts) because the germ is still in us.

So the great scientist by the name of Yacub, he brought it out of us and gave the germ a form and then taught that form his wisdom and told this made man: 'Go forth, be faithful, work fast you've got six days. And after that six days, on the seventh day your brother, coming from the East, is going to eat you up.'.....

Mr. Yacub, this Black scientist, maker of the white man was no fool by any means, just because He made an enemy for us. This made us still greater, to know that in us was the germ of a whole race of people that we could form and teach them and then to make them rule the teacher for a certain period of time until we could produce one greater than him.

Today our subject is, "A Saviour is born." A Saviour out of the germ of the unhuman family, made partly from the race of Yacub and partly from His own, just for the purpose to save you and me.....

All praise is due to Allah to have a Saviour born. A people that were rejected and despised, called out of your names. The enemy runs in front of you, to make enemies for you. But you go to war with him to fight for his freedom to exist and control and rule the Black man.

NATION OF ISLAM
(ANNUAL MUSLIM CONVENTION)

He is there to make mockery of you and tell people that you are not fit to be a member of better society, isn't that some man to fight for? You are fighting an enemy to rule you, then he makes mockery of you, tells his friends that you are not fit to join their society.

"Muhammad Speaks" is self described as published weekly by Muhammad's Temple 2 in Chicago.

"Chicago Today" 5 star final edition, February 27, 1973, page 13, sets forth a photograph and accompanying article which reflects Elijah Muhammad, age 75, addressed some 10,000 followers yesterday in Chicago and stated, "On February 6 a Savior was born. I am the one. A Savior is to deliver you from your enemies and destroy those who have destroyed you."

ELIJAH POOLE, also known as ELIJAH MUHAMMAD, is leader of the Nation of Islam proclaiming himself to be the Messenger of Allah and leader of the black man in North America.

MUHAMMAD formulates all policies, programs and teachings in the Nation of Islam, an all-black, anti-white group that is nationwide in scope, and whose membership has been involved in numerous acts of violence throughout the United States over the years and whose male membership is taught that while they are not to carry arms, they are to defend NOI officials, property, women, and themselves, to the death if necessary, and are to disarm any attacker and use the attacker's weapon on that person. He conducts his activities out of his residence, 4847 South Woodlawn Avenue, Chicago, Illinois, and through Muhammad's Temple 2, 7351 South Stony Island Avenue, Chicago, headquarters of the Nation of Islam.

It is felt MUHAMMAD should be on the ADEX.

ADDENDUM: INTELLIGENCE DIVISION 3/19/73 *TF* b1

Elijah Muhammad is a 75-year-old Negro male, who has been the leader of the Nation of Islam for 40 years. His organization today has 120 units, or mosques, throughout the U. S. and 3 mosques in nearby foreign countries. Membership approximates 7000 hardcore members. At the recent Annual Muslim Convention about 13,500 blacks were present. Under his leadership and teaching the NOI seeks a separate black nation and considers all whites to be "devils." While officially disclaiming any aggressive acts by NOI elements under his control, violence has erupted between the NOI and dissidents, and adversaries, at a regular rate. The highly disciplined, all-male Fruit of Islam of the NOI would no doubt immediately undertake any action ordered by Muhammad. Muhammad's hate-filled teachings and the well established violence-prone nature of the group he leads, certainly indicate a willingness and capability on his part to engage in actions dangerous to the national security. Accordingly, he is being included in ADEX.

"Chicago Today," five-star final edition, February 27, 1973, Page 13, sets forth a photograph and accompanying article which reflects ELIJAH MUHAMMAD, age 75, addressed some 10,000 followers yesterday in Chicago and stated "On February 6 a Savior was born. I am the one. A Savior is to deliver you from your enemies and destroy those who have destroyed you."

"Chicago Today" is a daily newspaper published in Chicago, Illinois.

Excerpts of ELIJAH MUHAMMAD's speech at the AMC, February 26, 1973, appeared in "Muhammad Speaks" (MS), March 9, 1973, Page 2, and in MS, March 16, 1973, Page 3. These excerpts in essence were the same as the statements made by ELIJAH MUHAMMAD which are set forth above.

MS newspaper is self-described in its various issues as published weekly by MT 2 in Chicago.

MS, May 11, 1973, Page 16, sets forth an article entitled "The Black Man must know the Truth" by ELIJAH MUHAMMAD. It reflects:

THE BLACK MAN MUST KNOW THE TRUTH. The Lack of Knowledge of the TRUTH is the greatest hold-back of the Black Man ever since the white man was put in authority to rule the nations of the earth; especially, the Black Man.

FOR the last 6,000 years the white race deprived the Black Man of the knowledge of the TRUTH of both man and mankind. We cannot blame the white man for not revealing, or teaching, that which the white race was NOT made of, (the truth). Nor can we blame the white man for NOT DOING that which he was NOT ORDERED (By Allah) to do.

THERE are many people who take the white race wrongly. And they charge the white race with many things, wrongly. It is wrong to charge the white race with NOT teaching the TRUTH, for the white race was not made to teach, TRUTH. Therefore we cannot accuse them for not teaching the truth.

THE white man taught that which by nature he was made to teach--and that is falsehood--he was made to cause bloodshed among the people and to make mischief in the land. The white man does these things.

THE white man lives up to what he was made to do. The white man does not disobey the nature in which he was made, and what he was made FOR.

IT IS WE, THE BLACK MAN, who try to force the white man into doing that which the white man was not made to do, and then the Black man makes the white man blameable for it. This is wrong for us to do a thing like this.

Our trying to force the white man to do that which is against his nature to do, and then our blaming him for not going against his nature--this is due to our not having the knowledge of the white race.

STOP accusing the white man of NOT doing that which he is NOT supposed to do! I think the white man has plenty to be accused of DOING, that he was NOT made to do.

WHAT I am trying to do is to give Justice to whom Justice is due. Often-times we charge the white man with that which by nature he WAS NOT made to do; and that which by nature he WAS made to do. The white man is not to blame for doing that thing which is by nature, himself.

IF/when the white man kills; killing is what he was made for. If/when the white man lies; lying is what the white man was made for. If/when the white man teaches and does indecent acts; that is what the white man was made for.

WE, the Black People are the Righteous; and we should not let evil-doing affect us, since we, by nature, were made Righteous.

But, the white man deceived our Black parents when he brought our Black parents to the Western Hemisphere; cut off our ties of our Black People, to us; and then forced us to do his (white man's) bidding....

WE, the Black People, must DO that which by nature we are created to do; then we will be doing that which by nature is ourself. This is the main basis of the teaching of KNOW THYSELF, which is the Truth that is bound up in you and me, by nature, Truth is NOT in the white man.

BUT, on the other hand, we the Black People were created in TRUTH. And, then, on the other hand, we made ourselves an enemy (white man). The white man is not his own maker. We (Black Man) made the white man. We the Black People are to blame for having the white man here, among us, raising hell and doing everything contrary to Truth and Righteousness....

THE LIMITED TIME of his stay, among us is because we will not tolerate with falsehood, forever. So, the white man's time was limited to 6,000 years--until the Coming of God in Person, Who is Referred to by many Names. This Man (God in Person) Has Arrived and this is why the change of everything is Taking Place; Allah (God) Will Not do His Work according to the way that the white race has been doing their work to keep their world going on; they and their world are going out.

The white race and their word must be brought to an end By Him, (Allah) so that He Can Start on His World, because His World is a Completely Different World from the world that we see that has been made by Yakub's made man (white race)....

"Al-Islam", Winter 1, Volume 2, page 7, sets forth
the following:

ne of the material in the past three issues of Al-Islam have reflected the Islamic Party's position on Elijah Muhammad and his organization, commonly known as the "Black Muslims". The expositions given heretofore have all had the foundations in the Holy Qur'an and sayings of Prophet Muhammad Ibn Abdullah (S), clearly demonstrating by these unquestionable sources that the organization of Elijah Muhammad does not represent Islam. Rather Elijah Muhammad is a deceiver of Black folk and is using the noble name of Islam as his catch word.

The Islamic Party has taken this national position in order to maintain the integrity of Islam and in behalf of the entire Muslim community-world wide. Strangely, there are a few who believe that this is not a correct reflection of the Islamic law. This poll is being instituted in order to demonstrate loud and clear that Muslims understand Islam and are standing under a unity of thought on the subject of these misrepresentatives and distorters of the Islamic faith.

This poll is designed to express the feelings of the Muslim nation in the U.S. The thousands of Muslim readers of Al-Islam are requested to indicate either their support of the Islamic Party's position or their disagreement with it, and if there is some disagreement. If yes. After filling the poll ticket in please send it in immediately. Tell your friends to also send it in.

POLL

- ☐ - Yes, I support the Islamic Party's position on Elijah Muhammad and his followers
- ☐ - No I do not support The Islamic Party's position on Elijah Muhammad and his organization.
If No why? (Use Qur'an and Sunnah as sources)
- _____
- _____
- _____

The Islamic Party feels this poll is significant because Muslims have not effectively made their stand on Elijah Muhammad known, and unfortunately this could be misconstrued as Orthodox Muslim support for the misrepresentatives of Islam. In order to dispel this type of concept we request that all Muslims cooperate and send in their poll tickets. Names and addresses need not be included.

"Al-Islam, the Islamic Movement Journal, is self-described as published by Islamic Party Publications, The Islamic Party - in North America, National Headquarters, 101 "S" Street, N.W., Washington, D.C.

"Al-Islam", Winter 1, Volume 2, page 16 sets forth the following:

IDEOLOGY

- 21 -

The Islamic Party in North America is an ideological party in the widest sense and not a mere political party or a religious or social reform organization. It is based on the firm conviction that Islam is an all pervading and comprehensive "Order of Life" which it intends to promulgate and translate into action in all spheres of human life. The Party believes that the root cause of all troubles in man's life is his forgetfulness of Allah (God) Almighty, his disregard of Divine Guidance as revealed through the Prophets and his lack of concern for being accountable for his deeds in the Hereafter. As a matter of fact, wherever and whenever any type of evil has plagued human life, this very deviation from Allah has been the main cause of trouble. No scheme of reform in human affairs can bear fruit unless and until Obedience to Allah, belief in Man's accountability after death and adherence to the Divine Guidance as revealed through the Prophets are sincerely and actually made the basis of the entire edifice of human life. Without bringing about this fundamental change, every attempt to reform society on the basis of any of the materialistic concepts of justice (Racism, Nationalism, Capitalism, Communist-Marxism, etc.) will only result in other forms of injustice.

The Islamic Party is not a nationalistic party either. Its ideology transcends all geographical boundaries and encompasses the welfare of the whole world and all mankind. This is why historically and today the Islamists have been and are in the forefront of the struggle for human freedom and dignity.

C. Miscellaneous

MS, April 20, 1973, page 17, sets forth an article entitled:

"Thank you to Muslims for Saviour's Day Gifts" by ELIJAH MUHAMMAD. It reflects:

I, thank the Muslims, both nationally and internationally for the great Saviour's Day Gifts to me and to my followers.

I received some of the nicest gifts that I have ever received in my life from my followers, on Saviour's Day. They were the nicest gifts that I have ever received from anyone, in my life.

I received many expensive gifts. At this writing, I have on a shirt that is so expensive - it is the most expensive shirt that I have ever had on my back, in my life! And my back feels odd with such fine shirt on!

I would not have bought such fine shirt, if I had received the money from you. I would not have put the money in that fine a shirt, as the price of the shirt could have bought a suit of clothes, for one (smile)...

THE BEAUTIFUL JEWELS...of which I never did care too much for jewels, but I love the fine and the great jewels, which you gave to me, in the way of a Saviour's Day Gift.

AND the suits of clothes that you gave to me. I do not know who slipped and measured me while I was asleep, but whoever measured me, they were expert. O, Brother, I do not know how to thank you...even to socks and ties...it is wonderful!

ALL the way down from dress clothes, to pajamas, to automobiles. What love...I could never forget you as long as I live, for such Saviour's Day Blessing.

WHEN it came to cash...you were so great! I could not imagine you having so much cash to give to me and the Nation's Temples and followers. But, you did it!...

ONE of the greatest donations that I have received in the way of a Saviour's Day Gift...it is a donation from the prisoners of our kind, who are bound.

I NEVER in my life, thought that prisoners would come up with such help to free Black Brothers and Black Sisters! But, we were given presents out of the prison houses...presents from those who are bound!...

All available data regarding NOI plans to build in Phoenix have been made available to Phoenix over the past several years. It would appear any building plans would require a city permit. It is suggested Phoenix may desire to make contact with appropriate city of Phoenix officials to alert them in the event the NOI applies for permits to remodel or build in that city.

The NOI is an all-black nationwide organization headquartered at Muhammad's Temple 2, 7351 South, Stony Island Avenue, Chicago, Illinois, under the guidance of Elijah Muhammad, self-styled "messenger of Allah" and only divinely appointed leader of the black race in the United States. Its purpose is separation of the black man from the "devil" (white race) through establishment of a black nation. Followers are instructed to obey the laws of the land if they do not conflict with NOI laws and not to carry weapons but are to defend NOI officials, their property, women and themselves if attacked at all costs and are to take weapons away from their attackers and use same on the attacker.

his followers to attempt to overthrow the Government by force or violence. He does teach his followers to fight back if attacked and if the attacker is armed, to take the weapon and use same on him. These teachings have resulted in violence between the NOI and its dissident members and/or adversaries resulting in ~~murder~~ and, in one instance, an open riot.

MUHAMMAD emphasizes formation of a Black Nation within a Nation. He urges his followers to become more economically minded and to establish their own business, one of the basic precepts of the NOI which seemingly is more economic orientated than it is religious.

[REDACTED] b1

[REDACTED] c

MUHAMMAD's teachings remain basically constant. He has appeared infrequently at MUHAMMAD's Temple 2 during the past year during which time he ~~repeated~~ the statements previously made by him. Articles by him appear weekly in "Muhammad Speaks" newspaper; however, it is noted these articles for the past several years have been reprints of articles written by him several years ago.

It is not felt, based on the above, MUHAMMAD fits the criteria for the Key Extremist Program. It is felt he should be retained on the ADEX.

Re CG airtel 6/22/73, which recommended subject's deletion as a Key Extremist (KE).

Although subject is 75 years old, he is the undisputed head of Nation of Islam (NOI). Your report dated 5/22/73, concerning subject, revealed he formulates and/or approves all NOI teachings, policies and programs. In addition, the NOI is the largest and most disciplined black extremist or separatist group in the country.

For the above reasons, subject is not being deleted as a KE.

Insure your office complies with instructions set forth in Bureau airtel 5/22/73, captioned "Key Extremist Program, Extremist Matters." You should promptly furnish the Bureau with the data called for concerning each individual KE under item III on page 2 of such airtel.

You are also reminded that the 5/22/73 airtel instructed that reports on Key Extremists are to be regularly submitted every 90 days.

NOTE:

Subject is head of NOI, and despite his age, is its absolute leader. As a result, he should continue as a KE. The 5/22/73 Bureau airtel referred to above instructed that information concerning eight topics should be furnished the Bureau by airtel under caption of individual KEs.
